Songwriter Juliette Jaimes is making a big name for herself writing great lyrics and producing hit pop songs with her music partner Steve Welton-Jaimes. Her success includes **Kiss Kiss**, originally a hit for Tarkan was written for Warner artist **Holly Valance**. It became a pop hit all over Europe and reached Number 1 in the UK and Australia. The song not only helped launch Holly Valance but also took her to the top of the charts with her first release. The song also features in the US hit film **What A Girl Wants** (starring Amanda Bynes and Colin Firth). **Jenny Frost** from **Atomic Kitten** fame has also recently released a Juliette and Steve song, having a No.1 club hit with 'Crash Landing'. Juliette recently has had songs featured in the movies **School For Seduction** and **Nina's Heavenly Delights**.

Juliette and Steve have collaborated with some of the UK's top dance producers including most recently DJ Paul Harris from **Dirty Vegas - H MEN (Show Ya Love)** which was released on Apollo / Universal.

DJ Hixxy remixed **Sacrifice** and **Take Me With You**, both written and sung by Juliette on the Clubland X-treme Hardcore 3 album released December 2006. Another release this Summer is with electro / dance producers Hook 'n' Sling. **Bump (Go Crazy)** has been number 1 in all the UK dance charts. To be released on CR2 Records who were behind the massive hit **Put Your hands Up For Detroit** by Fedde Le Grande.

The duo have also been working with Italy's number one rock vocalist **Gianna Nannini** whose latest album **Grazie** went diamond, (platinum sales 5 times over!). Writing lyrics for one of her most played songs off of the album **Sei nell Anima** produced by Wil Malone the result is breathtaking. Re-titled **Hold The Moon** it is now set for a worldwide release for Gianna on Universal Records.

**Ooh La La** is a catchy remake of Romanian pop duo Morandi's hit **Beijo (oh la la)**. It was number 1 in Romania for 9 weeks making it the biggest airplay record ever! A UK version with new lyrics written by Juliette and Steve was released across Europe.

Massive club anthem **Close To The Edge** Solex / Michael woods written by Juliette and Steve and sung by Juliette was released on many compilations and featured in the movie **Paparazzi**.

Aside from writing for the pop world, Juliette 's songs have been recorded by Preeya Kalidas for the feature film **Bollywood Queen** which was released (via Redbus). The film is from the producers of Bend It Like Beckham and premiered at the Sundance Film Festival (World Cinema Section). The film stars Preeya Kalida who was also the female lead in Andrew Lloyd-Webber's west end musical **Bombay Dreams**. Preeya sings the key track **Butterfly** which was written by Juliette Jaimes and produced by Steve Welton-Jaimes and Darran Bennett. *Soundtrack Available*

Juliette also wrote the catchy song **Smile, Smile Crocodile** for Steve Irwin's feature **Crocodile Hunter: The Collision Course** which was used heavily on the trailers promoting the film.
